

# Watercress Wildlife Association

## Family Fun Day

Saturday 23 June  
3.30pm onwards

Come along this Saturday and meet fellow WWA members at our 'Midsummer Madness' event which is being held down on the Reserve, at the rear of Riverside Road. In the afternoon, from 3.30pm (mostly for the children!) there will be face painting, Splat-a-Rat, a treasure hunt and duck racing on the river (4.30pm prompt). Feel free to bring a picnic for the children. There will be an awning erected in case of bad weather.

And in the evening (mostly for adults!) is a summer barbeque/picnic with, hopefully, some live music from local residents. Bring your own picnic, or food to put on the Barbeque (which will be lit around 6pm), alcoholic drinks and a rug to sit on. Some soft drinks/water will be provided. And if you have any musical talent at all - just bring along your instrument and have a go - it's just a fun event - nothing too serious!

There is no entrance fee but we would like to cover costs and also raise some money towards buying an extra tandem for the 'WaterWheelers' so there will be a small charge for the children's activities. And of course, any donations are always welcomed (large bucket provided!). There will also be a raffle to win a bottle of Champagne so don't forget to buy a ticket! See you there.....

Splat-a-rat

Raffle

Treasure Hunt

Duck Race  
4.30pm
